(New, SG No. 57/2004, amended and supplemented, SG No. 50/2012, amended, SG No. 14/2015, SG No. 28/2016, effective 20.05.2016)

(1) (Amended, SG No. 83/2019, effective 22.10.2019) On an annual basis manufacturers and importers of tobacco products shall submit the following to the Institute for Tobacco and Tobacco Products:

- 1. a list of all ingredients, and quantities thereof, used in the manufacture of the tobacco products, in descending order of the weight of each ingredient included in the product by brands and types of tobacco products; the list shall be accompanied by:**
 - a) a statement setting out the reasons for the inclusion of such ingredients in the tobacco products concerned;**
 - b) the status of the ingredients, including whether they have been registered under Regulation (EC) No. 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), establishing a European Chemicals Agency, amending Directive 1999/45/EC and repealing Council Regulation (EEC) No. 793/93 and Commission Regulation (EC) No. 1488/94 as well as Council Directive 76/769/EEC and Commission Directives 91/155/EEC, 93/67/EEC, 93/105/EC and 2000/21/EC;**
 - c) the classification of the ingredients in accordance with Regulation (EC) No. 1272/2008 of the European Parliament and of the Council of 16 December 2008 on classification, labelling and packaging of substances and mixtures, amending and repealing Directives 67/548/EEC and 1999/45/EC, and amending Regulation (EC) No. 1907/2006 (OJ L 353/1, 31.12.2008);**
 - d) toxicological data regarding the ingredients in burnt or unburnt form, as appropriate, referring in particular to their effects on the health of consumers and taking into account, inter alia, any addictive effects;**
- 2. the emission levels referred to in Article 35a, paragraph 1;**
- 3. where available, information on other emissions and their levels;**
- 4. information regarding all methods used for measurement of emissions from tobacco products.**

- (2) (Amended, SG No. 83/2019, effective 22.10.2019) In addition to the information under paragraph 1, the manufacturers and importers of cigarettes and roll-your-own tobacco shall also submit to the Institute for Tobacco and Tobacco Products:
1. a technical document setting out a general description of the additives used and their properties;
 2. information regarding the additives, included into a priority list of additives; the priority list of additives shall be determined by the regulations on the implementation of this Act.
- (3) (Amended, SG No. 83/2019, effective 22.10.2019) The manufacturers or importers of tobacco products shall notify the Institute for Tobacco and Tobacco Products if the composition of a product is modified in a way that affects the data and information provided under paragraphs 1 and 2.
- (4) (Amended, SG No. 83/2019, effective 22.10.2019) The manufacturers and importers of new and/or modified cigarettes, cigars, cigarillos, roll-your-own tobacco, pipe tobacco, chewing tobacco, nasal tobacco and tobacco for oral use and waterpipe tobacco shall submit the data and information under paragraphs 1 and 2 in regard to the respective products prior to placing them on the market.
- (5) (Amended, SG No. 83/2019, effective 22.10.2019) The data and information under paragraphs 1 - 4 shall be made available under the conditions and the procedure of Implementing Decision (EU) 2015/2186 via the EU Common Entry Gate (EU-CEG).
- (6) (Repealed, SG No. 83/2019, effective 22.10.2019).
- (7) The Institute for Tobacco and Tobacco Products shall:
1. (repealed, SG No. 83/2019, effective 22.10.2019);
 2. publish at its website the data and information under paragraphs 1 and 2 except for the data and information that constitute a trade or any other secret, protected by the law;
 3. (repealed, SG No. 83/2019, effective 22.10.2019);
 4. notify the European Commission of any maximum emission levels, specified for emissions from cigarettes, other than the emissions under Article 35a, paragraph 1, as well as for emissions from tobacco products, other than cigarettes;
 5. notify the European Commission of all measurement methods, used for emissions from cigarettes, other than the emissions under Article 35a, paragraph 1, as well as for emissions from tobacco products, other than cigarettes;
 6. submit proposals to the Ministry of Economy, on the basis of scientific evidence, to prohibit the placing on the market of tobacco products containing additives in quantities that increase the toxic or addictive effect or the CMR properties of a tobacco product at the stage of consumption to a significant or measurable degree;
 7. (amended, SG No. 83/2019, effective 22.10.2019) require manufacturers and importers of tobacco products to conduct additional studies with the view of assessment of the impact of the ingredients on the consumers' health, taking into account the risks posed by their toxic or addictive effects.
- (8) (Amended, SG No. 83/2019, effective 22.10.2019) Employees, who have access to the data and information under paragraphs 1 and 2, shall be obliged to refrain from disclosing the data and facts that have come to their knowledge in connection with the performance of their duties except in instances, which so prescribed by law or upon written request by a state body.
- (9) In instances of imposing a prohibition under paragraph 7, item 6 the Ministry of Economy shall notify the European Commission.
- (10) (New, SG No. 83/2019, effective 1.01.2020) The costs of the Institute for Tobacco and Tobacco Products, related to carrying out the activities for the implementation of Directive 2014/40/EU of the European Parliament and of the Council of 3 April 2014 on the approximation of the laws, regulations and administrative provisions of the Member States concerning the manufacture, presentation and sale of tobacco and related products and repealing Directive 2001/37/EC (OJ, L 127/1 of 29 April 2014), including for acquiring the

requisite laboratory equipment, shall be funded by resources from the budget of the Agricultural Academy.

(11) (New, SG No. 102/2022, effective 1.01.2023) The manufacturers and importers under paragraphs 1 – 4 shall pay fees for carrying out the activities for the implementation of Directive 2014/40/EU of the European Parliament and of the Council under paragraph 7 and Article 26a, paragraph 7, in accordance with a tariff endorsed by the Council of Ministers acting upon a proposal by the Minister of Agriculture.

Article 35c

(New, SG No. 57/2004, amended and supplemented, SG No. 50/2012, amended, SG No. 28/2016, effective 20.05.2016)

(1) (Amended, SG No. 83/2019, effective 22.10.2019) The manufacturers and importers of cigarettes and roll-your-own tobacco shall carry out comprehensive studies of the products offered by them with the view to examine for each additive that is included in the priority list provided for in Article 35b, paragraph 2, item 2 whether such additive:

- 1. contributes to the toxicity or addictiveness of the products concerned and whether this has the effect of increasing the toxicity or addictiveness of any of the products concerned to a significant or measurable degree;**
- 2. results in a characterising flavour;**
- 3. facilitates inhalation or nicotine uptake; or**
- 4. leads to the formation of substances that have CMR properties, the quantities thereof, and whether this has the effect of increasing the CMR properties in any of the products concerned to a significant or measurable degree.**

(2) (Amended, SG No. 83/2019, effective 22.10.2019) The studies under paragraph 1 shall take into account the intended use of the products concerned and examine in particular the emissions resulting from the combustion process involving the additive under paragraph 1. The studies shall also examine the interaction of that additive under paragraph 1 with other ingredients contained in the products concerned. The manufacturers or importers of cigarettes and roll-your-own tobacco, which use the same additive in their tobacco products, may carry out a joint study when using that additive in a comparable product composition.

(3) (Amended, SG No. 83/2019, effective 22.10.2019) The manufacturers or importers of cigarettes and roll-your-own tobacco shall prepare a report on the outcomes of the studies under paragraph 1. That report shall include an executive summary, and a comprehensive overview compiling the available scientific literature on the additive under paragraph 1 and summarising internal data on the effects of the additive.

(4) (Amended, SG No. 83/2019, effective 22.10.2019) The manufacturers or importers of cigarettes and roll-your-own tobacco shall transmit the report under paragraph 3 to the European Commission and to the Institute for Tobacco and Tobacco Products not later than 18 months following the inclusion of the additive under paragraph 1 into the priority list provided for in Article 35b, paragraph 2, item 2. The report shall be made available under the terms and the procedure of Implementing Decision (EU) 2015/2186 via the EU Common Entry Gate (EU-CEG).

(5) In cases where the European Commission and/or the Institute for Tobacco and Tobacco Products would have requested supplementary information concerning the additive under paragraph 1 such information shall be included into the report under paragraph 3.

(6) (Amended, SG No. 83/2019, effective 22.10.2019) The Institute for Tobacco and Tobacco Products may request for the reports under paragraph 3 to be subjected to a peer review by an independent scientific research institution in regard to their exhaustiveness, methodology and findings.

Article 35d

(New, SG No. 50/2012, amended, SG No. 28/2016, effective 20.05.2016, SG No. 83/2019, effective 22.10.2019) Small and medium-sized enterprises, as defined in the Small and

Medium-sized Enterprises Act, shall be exempted from the obligations pursuant to Article 35b, paragraph 2, item 2 and Article 35c, if a report under Article 35c, paragraph 3 is prepared by another manufacturer or importer of tobacco products.

Article 35e

(New, SG No. 28/2016, effective 20.05.2016) (1) (Amended, SG No. 83/2019, effective 22.10.2019) On an annual basis manufacturers and importers of tobacco products shall submit the following to the Institute for Tobacco and Tobacco Products in digital format:

1. internal and external studies available to them on market research and preferences of various consumer groups, including young people and current smokers, relating to ingredients and emissions;
2. executive summaries of any market surveys they carry out when launching new products;
3. information regarding their sales volumes per brand and type, reported in sticks or kilograms, and per Member State on a yearly basis starting from 1 January 2015.

(2) (Amended, SG No. 83/2019, effective 22.10.2019) The data and information under paragraph 1 shall be made available under the terms and the procedure of Implementing Decision (EU) 2015/2186 via the EU Common Entry Gate (EU-CEG).

(3) The National Revenue Agency and/or the Customs Agency shall submit to the Institute for Tobacco and Tobacco Products the data on sales volumes that is available to them.

(4) The Institute for Tobacco and Tobacco Products shall store the data and information under paragraphs 1 and 3 in electronic form and ensure access by the European Commission and the other European Union Member States, subject to the information protection requirements.

Chapter Ten "b"

(New, SG No. 28/2016, effective 8.04.2016)

LABELLING AND PACKAGING

Article 35f

(New, SG No. 28/2016, effective 20.05.2016) (1) Each unit packet of a tobacco product and any outside packaging shall carry health warnings.

(2) The health warnings under paragraph 1:

1. shall cover the entire surface of the unit packet or outside packaging that is reserved for them; the surface of the unit packet shall also include the surface of the bevelled and rounded edges, if any;
2. shall not be commented on, paraphrased or referred to in any form;
3. shall be irremovably printed;
4. shall be indelible and fully visible, including not being partially or totally hidden or interrupted by tax stamps, price marks, security features, wrappers, jackets, boxes, or other items;
5. shall be affixed by means of stickers upon unit packets of tobacco products, other than cigarettes and roll-your-own tobacco in pouches, provided that such stickers are irremovable;
6. shall remain intact when opening the unit packet other than packets with a flip-top lid, where the health warnings may be split when opening the packet, but only in a manner that ensures the graphical integrity and visibility of the text, photographs and cessation information.

(3) The health warnings under paragraph 1 shall not hide or interrupt the tax stamps, price marks, tracking and tracing marks, or security features on unit packets.

(4) The dimensions of the health warnings provided for in Article 35h, paragraph 1, Article 35k, paragraph 1, Article 35l, paragraph 1 and Article 35m, paragraph 1 shall be calculated in relation to the surface concerned when the packet is closed.

(5) The health warnings provided for in Article 35h, paragraph 1, Article 35k, paragraph 1 and Article 35l, paragraph 1 shall be surrounded by a black border of a width of 1 mm inside the surface area that is reserved for them.

(6) The health warnings provided for in Article 35h, paragraph 1, Article 35k, paragraph 2, item 1, Article 35l, paragraph 1 and Article 35m, paragraph 1, intended for duty-free retail outlets may also be printed in the English language and must meet the legal requirements. The cessation information placed upon the packaging of tobacco products, intended for duty-free retail outlets, shall be determined by the regulations on the implementation of this Act and may be printed in the English language.

(7) (New, SG No. 83/2019, effective 22.10.2019) The images on the unit packets and on all outside packaging of tobacco products, oriented at consumers, must meet the requirements of this Chapter.

Article 35g

(New, SG No. 28/2016, effective 20.05.2016) (1) The labelling of unit packets and any outside packaging of the tobacco products and the tobacco product itself shall not include any element or feature that:

1. promotes a tobacco product or encourages its consumption by creating an erroneous impression about its characteristics, health effects, risks or emissions;
2. contains any information about the nicotine, tar or carbon monoxide content of the tobacco product;
3. misleadingly suggests that a particular tobacco product is less harmful than others or aims to reduce the effect of some harmful components of smoke or has vitalising, energetic, healing, rejuvenating, natural, organic properties or has other health or lifestyle benefits;
4. refers to taste, smell, any flavourings or other additives or the absence thereof;
5. resembles a food or a cosmetic product;
6. misleadingly suggests that a certain tobacco product has improved biodegradability or other environmental advantages.

(2) The unit packets and any outside packaging of the tobacco product shall not suggest economic advantages by including printed vouchers, offering discounts, free distribution, two-for-one or other similar offers, determined by a legislative act.

(3) The elements and features that are prohibited pursuant to paragraphs 1 and 2 may include but are not limited to texts, symbols, names, trademarks, figurative or other signs.

Article 35h

(New, SG No. 28/2016, effective 20.05.2016) (1) Each unit packet and any outside packaging of cigarettes, roll-your-own tobacco and waterpipe tobacco shall carry:

1. a general warning "Smoking kills – quit now";
2. (corrected, SG No. 31/2016) an information message "Tobacco smoke contains over 70 substances known to cause cancer."

(2) For cigarette packets and roll-your-own tobacco in cuboid packets:

1. the general warning under paragraph 1, item 1 shall appear on the bottom part of one of the lateral surfaces of the unit packets, and the information message under paragraph 1, item 2 shall appear on the bottom part of the other lateral surface;
2. the width of the general warning under paragraph 1, item 1 and the information message under paragraph 1, item 2 shall be not less than 20 mm;
3. the width of the general warning under paragraph 1, item 1 and the information message under paragraph 1, item 2 must be parallel to the longest edge of the packet and to the direction of reading of the warning text.

(3) For packets of cigarettes and roll-your-own tobacco in the form of a shoulder box with a hinged lid that result in the lateral surfaces being split into two when the packet is open, the general warning under paragraph 1, item 1 and the information message under paragraph 1, item 2 shall appear in their entirety on the larger parts of those split surfaces. The general

warning under paragraph 1, item 1 shall also appear on the inside of the top surface that is visible when the packet is open. The lateral surfaces of this type of packet shall have a height of not less than 16 mm.

(4) For roll-your-own tobacco marketed:

1. in pouches – the general warning under paragraph 1, item 1 and the information message under paragraph 1, item 2 shall appear on the surfaces that ensure the full visibility of those health warnings;

2. in cylindrical packets – the general warning under paragraph 1, item 1 shall appear on the outside surface of the lid and the information message under paragraph 1, item 2 shall appear on the inside surface of the lid.

(5) For packets of cigarettes, roll-your-own tobacco and waterpipe tobacco the general warning under paragraph 1, item 1 and the information message under paragraph 1, item 2 shall cover 50 % of the surfaces on which they are printed.

Article 35i

(New, SG No. 28/2016, effective 20.05.2016) The general warning and the information message under Article 35h, paragraph 1 shall be:

1. printed in Bulgarian language in black Helvetica bold type on a white background;

2. located at the centre of the surface reserved for them, and on cuboid packets and any outside packaging they shall be parallel to the lateral edge of the unit packet or of the outside packaging.

Article 35k

(New, SG No. 28/2016, effective 20.05.2016) (1) Each unit packet and any outside packaging of tobacco products for smoking shall carry combined health warnings.

(2) The combined health warnings under paragraph 1 shall:

1. contain one of the text warnings listed in Annex No. 3a and a corresponding colour photograph specified in the picture library in Annex No. 3b;

2. consist of the same text warning from the list in Annex No. 3a and a corresponding colour photograph specified in the picture library in Annex No. 3b on both sides of each unit packet and of each outside packaging;

3. include the following smoking cessation information: "For support to quit smoking call: 0700 10 323";

4. cover 65 % of both the external front and back surface of the unit packet and any outside packaging; cylindrical packets shall display two combined health warnings, equidistant from each other, each covering 65 % of their respective half of the curved surface;

5. appear at the top edge of a unit packet and any outside packaging, and be positioned in the same direction as any other information appearing on that surface of the packaging;

6. have the shape, layout, design and proportions, prescribed by Commission Implementing Decision (EU) 2015/1842 of 9 October 2015 on the technical specifications for the layout, design and shape of the combined health warnings for tobacco products for smoking (OJ, L 267/5 of 14 October 2015);

7. in the case of unit packets of cigarettes, respect the following dimensions:

a) height: not less than 44 mm;

b) width: not less than 52 mm.

(3) Brand names or logos shall not be positioned above the health warnings under paragraph 1.

(4) The combined health warnings under paragraph 1 shall be grouped into three sets as set out in Annex No. 3b. Each set shall be used in a given year and rotated on an annual basis, starting with set 1.

(5) Each combined health warning under paragraph 1 from the set available for use in a given year according to Annex No. 3 is displayed to the extent possible upon equal numbers of unit packets and outside packaging of each brand of tobacco products.

(6) The Ministry of Economy shall provide to the manufacturers and/or importers of tobacco products technical specifications for the layout, design and shape of the combined health warnings for tobacco products for smoking.

(7) Upon the provision of technical specifications under paragraph 6 the manufacturers and/or importers of tobacco products shall sign the declaration in accordance with Annex No. 3c.

Article 35l

(New, SG No. 28/2016, effective 20.05.2016) (1) Each unit packet and any outside packaging of smokeless tobacco products shall carry the following health warning: "This tobacco product damages your health and is addictive."

(2) The health warning laid down in paragraph 1 shall:

- 1. comply with the requirements specified in Article 35i;**
- 2. be parallel to the main text on the surface reserved for these warnings;**
- 3. appear on the two largest surfaces of the unit packet and any outside packaging;**
- 4. cover 30 % of the surfaces of the unit packet and any outside packaging.**

Article 35m

(New, SG No. 28/2016, effective 20.05.2016) (1) Each unit packet and any outside packaging of smokeless tobacco products for smoking, other than cigarettes, roll-your-own tobacco and waterpipe tobacco shall carry:

- 1. the general health warning under Article 35h, paragraph 1, item 1;**
- 2. one of the text warnings from the list according to Annex No. 3a.**

(2) The general health warning under paragraph 1 shall include also the following smoking cessation information: "For support to quit smoking call: 0700 10 323".

(3) The general health warning under Article 35h, paragraph 1, item 1 shall:

- 1. appear on the most visible surface of the unit packet and any outside packaging;**
- 2. cover 30 % of the relevant surface of the unit packet and any outside packaging.**

(4) The text warning referred to in paragraph 1, item 2 shall:

- 1. cover 40 % of the relevant surface of the unit packet and any outside packaging;**
- 2. appear to the extent possible in equal numbers on each brand of those products;**
- 3. appear on the next most visible surface of the unit packet and any outside packaging; for unit packets with a hinged lid, the next most visible surface is the one that becomes visible when the packet is open.**

(5) Where the health warnings referred to in paragraph 1 are to appear on a surface exceeding 150 cm², the warnings shall cover an area of 45 cm².

(6) The health warnings referred to in paragraph 1 shall:

- 1. conform to the requirements of Article 35i; the text of the health warnings shall be parallel to the main text on the surface reserved for these warnings.**
- 2. shall be surrounded by a black border of a width of not less than 3 mm and not more than 4 mm; this border shall appear outside the surface reserved for the health warnings.**

(7) Article 35h, paragraph 1, item 2 and Article 35k, paragraph 3 shall not apply to tobacco products for smoking, other than cigarettes, roll-your-own tobacco and waterpipe tobacco.

Article 35n

(New, SG No. 28/2016, effective 20.05.2016) Unit packets of cigarettes shall:

- 1. have a cuboid shape, including such with rounded and bevelled edges;**
- 2. consist of carton or soft material;**
- 3. have no opening that can be re-closed or re-sealed after it is first opened, other than the flip-top lid and shoulder box with a hinged lid; for packets with a flip-top lid and hinged lid, the lid shall be hinged only at the back of the unit packet.**

Article 35o

(New, SG No. 28/2016, effective 20.05.2016) Unit packets of cigarettes of roll-your-own tobacco shall have a cuboid or cylindrical shape, or the form of a pouch.

Article 35p

(New, SG No. 28/2016, on putting into effect, see [1]§ 40, Item 2) (1) Unit packets of cigarettes of tobacco products, intended for placing on the market, shall be marked by a unique identifier.

(2) The unique identifier under paragraph 1 shall:

- 1. be irremovably printed or affixed;**
- 2. be indelible and not hidden or interrupted in any form, including through tax stamps or price marks, or by the opening of the unit packet;**
- 3. allow the following to be determined:**
 - a) date and place of manufacturing;**
 - b) manufacturing facility;**
 - c) machine used to manufacture the tobacco products;**
 - d) production shift or time of manufacture;**
 - e) product description;**
 - f) intended market of retail sale;**
 - g) intended shipment route;**
 - h) where applicable, the importer into the Union;**
 - i) actual shipment route from manufacturing to the first retail outlet, including all warehouses used as well as the shipment date, shipment destination, point of departure and consignee;**
 - j) identities of all purchasers from manufacturing to the first retail outlet;**
 - k) invoice, order number and payment records of all purchasers from manufacturing to the first retail outlet.**

(3) The information referred to in paragraph 2, item 3, letters "a" to "g", as well as letter "h" in instances of imports, shall form part of the unique identifier under paragraph 1.

(4) The information referred to in paragraph 2, item 3, letters "i", "j" and "k" shall be electronically accessible by means of a link to the unique identifier under paragraph 1.

Article 35q

(New, SG No. 28/2016, on putting into effect, see [1]§ 40, Item 2) (1) (Amended, SG No. 83/2019, effective 22.10.2019) All economic operators shall record all incoming unit packets arriving in their possession, as well as all of their intermediate movements and the final delivery.

(2) The obligation under paragraph 1 may be complied with by the marking and recording of aggregated packaging such as cartons, mastercases or pallets, provided that the tracking and tracing of all unit packets remains possible.

Article 35r

(New, SG No. 28/2016, on putting into effect, see [1]§ 40, Item 2, amended, SG No. 83/2019, effective 22.10.2019) All economic operators shall maintain complete and precise records of all relevant transactions.

Article 35s

(New, SG No. 28/2016, on putting into effect, see [1]§ 40, Item 2) (1) (Amended, SG No. 83/2019, effective 22.10.2019) The manufacturers of tobacco products shall provide all economic operators, including importers, warehouses and transporting companies, with the equipment that is necessary for the recording of the tobacco products purchased, sold, stored, transported or otherwise handled.

(2) The equipment under paragraph 1 shall be able to read and transmit the recorded data electronically to a data storage facility pursuant to paragraph 3.

(3) The manufacturers and importers of tobacco products shall conclude contracts for storage of the data under paragraph 1 with an independent third party, for the purpose of hosting the data storage facility for all relevant data.

(4) The facility under paragraph 3 shall be physically located on the territory of the European Union.

(5) The suitability of the third party, in particular its independence and technical capacities, as well as the contract under paragraph 3, shall be approved by the European Commission.

(6) The third party's activities shall be monitored by an external auditor, who is proposed and paid by the tobacco manufacturer and approved by the European Commission.

(7) The European Commission, the Customs Agency and the external auditor shall have full access to the facility for storage of the data under paragraph 1.

(8) In duly justified cases the European Commission or the Customs Agency, in compliance with Article 17, paragraph 1, item 6 of the Customs Act may grant manufacturers or importers access to the stored data under paragraph 1, provided that commercially sensitive information remains adequately protected in conformity with the relevant European Union and Bulgarian law.

(9) (Amended, SG No. 83/2019, effective 22.10.2019) The data under paragraph 1 must not be altered or deleted by the economic operators.

(10) (Amended, SG No. 17/2019) Personal data shall be processed subject to the requirements for their protection.

(11) The key elements such as duration, renewability, expertise required or confidentiality, including the regular monitoring and evaluation of the contracts under paragraph 3 shall be determined by the regulations on the implementation of this Act.

Article 35t

(New, SG No. 28/2016, on putting into effect, see [1]§ 40, Item 2) (1) All unit packets of tobacco products, which are placed on the market, shall carry a security feature.

(2) The security feature under paragraph 1 shall be:

1. tamper proof;

2. composed of visible and invisible elements;

3. irremovably printed or affixed;

4. (amended, SG No. 98/2018, effective 20.05.2019) indelible and not hidden or interrupted in any form, including through price marks, or other elements;

5. (new, SG No. 98/2018, effective 20.05.2019) in compliance with the technical standards, specified by Commission Implementing Decision (EU) 2018/576 of 15 December 2017 on technical standards for security features applied to tobacco products (OJ, L 96/57 of 16 April 2018).

(3) (New, SG No. 98/2018, effective 20.05.2019) The excise labels, which are intended to be affixed on unit packets of tobacco products, shall be used as security feature under Paragraph 1. The combination or combinations of authentication elements, which are used in regard to the security features, applied for unit packets intended for sale on the domestic market, shall be determined by an order of the Minister of Finance.

(4) (New, SG No. 98/2018, effective 20.05.2019) The Customs Agency shall inform the manufacturers of tobacco products, the persons that import, respectively introduce into the territory of this country tobacco products, of the security features applied for unit packets, intended for sale on the domestic market.

Article 35u

(New, SG No. 98/2018, effective 20.05.2019) (1) The ID issuer within the meaning of Article 3, Paragraph 1 of Commission Implementing Regulation (EU) 2018/574 of 15 December 2017 on technical standards for the establishment and operation of a traceability system for tobacco products (OJ, L 96/57 of 16 April 2018), hereinafter referred to as "Regulation (EU)

2018/574", shall be the printing works of the Bulgarian National Bank, which if necessary may employ also other subcontractors.

Article 43a

(New, SG No. 28/2016, effective 20.05.2016) (1) (Amended, SG No. 83/2019, effective 22.10.2019) The manufacturers, importers or any persons that introduce into the territory of this country from another European Union Member State electronic cigarettes and/or refill containers shall notify the Ministry of Economy of each product that they intend to place on the market.

(2) (Amended, SG No. 83/2019, effective 22.10.2019) The manufacturers and importers of electronic cigarettes and/or refill containers under the terms and procedure of Commission Implementing Decision (EU) 2015/2183 of 24 November 2015 establishing a common format for the notification of electronic cigarettes and refill containers (OJ, L 309/15 of 26 November 2015) shall submit, depending on the product type, via the EU Common Entry Gate (EU-CEG):

1. a list of all ingredients contained in, and emissions resulting from the use of, the product, by brand name and type, including quantities thereof;
2. toxicological data regarding the product's ingredients and emissions, including when heated, referring in particular to their effects on the health of consumers when inhaled and taking into account, inter alia, any addictive effect;
3. information on the nicotine doses and uptake when consumed under normal or reasonably foreseeable conditions;
4. a description of the components of the product; including, where applicable, the opening and refill mechanism of the product;
5. a description of the production process, including whether it involves series production, and a declaration that the production process ensures conformity of the product with the requirements of this Chapter;
6. a declaration that the manufacturer and the importer shall be fully responsible for the product quality and safety, when placed on the market and used in normal or reasonably predictable conditions.

(3) (Amended, SG No. 83/2019, effective 22.10.2019) The notification under paragraph 1 shall be submitted in electronic form six months before the intended placing on the market and shall contain:

1. Uniform Identification Code (UIC) of the merchant and for persons registered in another European Union Member State or in another state party to the European Economic Area Agreement – any other identification code or number;

2. the name and contact details of the manufacturer, a responsible legal or natural person within the European Union and, if applicable, the importer into the European Union;
 3. (amended, SG No. 83/2019, effective 22.10.2019) the date of making available of the information under paragraph 2;
 4. (repealed, SG No. 83/2019, effective 22.10.2019);
 5. (repealed, SG No. 83/2019, effective 22.10.2019);
 6. (repealed, SG No. 83/2019, effective 22.10.2019);
 7. (repealed, SG No. 83/2019, effective 22.10.2019);
 8. (repealed, SG No. 83/2019, effective 22.10.2019).
- (4) If the information submitted with the notification under paragraph 1 is incomplete, the Ministry of Economy shall be entitled to request supplementing the information concerned.
- (5) The Ministry of Economy shall make the entry into the register under paragraph 8 following the elimination of any shortcomings under paragraph 4.
- (6) (Amended and supplemented, SG No. 83/2019, effective 22.10.2019) Notifications shall be submitted by the manufacturers and importers of electronic cigarettes and/or refill containers under the terms and procedure referred to in paragraphs 1 - 3 in regard to each substantial modification of electronic cigarettes and/or refill containers. The persons introducing the product into the territory of this country from another EU Member State, shall notify in electronic form the Ministry of Economy of the date of making the information available via the EU Common Entry Gate (EU-CEG).
- (7) The Ministry of Economy may also require supplementary information from the persons under paragraph 1 regarding the safety and quality aspects or any adverse effects and other information concerning the product.
- (8) (Amended, SG No. 83/2019, effective 22.10.2019) The Ministry of Economy shall keep a public register of the electronic cigarettes and the refill containers. The following shall be recorded in the public register:
1. the product manufacturer;
 2. the importer or the person, introducing the tobacco product into the territory of this country from another EU Member State;
